

We sincerely appreciate your generous support of the **Rangers FC South Soccer Club program**. As a non-profit corporation, our youth soccer club serves girls and boys ages 8 to 18, participating in The So Cal League and **Development Player League** and **Girls Academy League/Aspire**. Our teams compete for over ten months each year. Since our founding in 1996 with only two teams, we have expanded to 30 teams and more than 400 families involved in our club. Many of our players reside in the Orange County area.

Our goal is to maintain affordable club fees so that athletes from diverse backgrounds can participate. Your contribution helps us sustain our community engagement and supports the annual operational expenses of the club. For additional information regarding our soccer program, please visit our website at www.rangersfcsouth.org.

Thank you once again for your generosity and commitment to PSA Soccer Club, Inc., our non-profit organization. We truly value your support.
